

Fuseta

420,000 €

Ref: SVP914

The ground floor of the property is divided over an entrance leading into the open lounge / dining and fully equipped kitchen. From the lounge you have direct access to the rear of the property with terrace and pool. One bedroom with built-in wardrobes, air-conditioning and direct access to the terrace and pool. Adjacent to the bedroom is the bathroom with bath, toilet, bidet and floor heating.

The stairs lead you to the first level with two bedrooms, both with built-in wardrobes, air-conditioning, floor heating and access to the balcony. From the first floor hallway you can access the front terrace.

Further stairs lead you to the 45 m² roof terrace to enjoy the views towards the Ria Formosa.

These townhouses with floor heating and air-conditioning are located at only 1.2 km from the beach at the Ria Formosa in Fuseta. Or you can take one of the Ferry's which bring you to the Island just in front of the
