Monte Rei´s vision is strikingly simple and memorably courageous to collate the very best ingredients creating a groundbreaking and world-class golf destination. The first of two Jack Nicklaus Signature Golf Courses - "Monte Rei North" - opened for play in June 2007. This par 72 Championship golf course measuring 6567m from the Tournament tees is a truly unique design; with water coming into play on eleven of the eighteen holes, the golf course features an enjoyable series of eight par-4s, five par-3s and five par-5s in a challenging and distinctive layout.

Also on the Monte Rei Golf there is a clubhouse, restaurants, spa, gym and a very nice community.

This plot of 2318 m² is overlooking the country-side up to the Ocean and has the possibility to built a villa of 500 m².
There are 7 plots in total, each with 500 m² building construction, plot sizes from 2318 m² to 3032 m², prices from € 390.000 up to € 700.000 for the plots.

The photo's shown are an indication of what the possibilities are to work with one of these amazing architects.
